

APHASIA SUPPORT GROUP

Express Yourself!

- Is your speech impaired due to health-related issues such as stroke, Parkinson's or dementia?
- Do you need help processing information, understanding others, **or making yourself understood?**

Join us to learn new strategies and techniques to cope and communicate better.

This aphasia support group will be facilitated by **Susan Wranik, MS, MA, CCC-SLP**, Board Certified Speech-Language Pathologist and is for individuals ages 18 and older.*

This group will meet the second Tuesday of every month from 2-3pm.

First Meeting:

Tuesday, June 12, 2012 | 2-3 pm

Friendship Heights Village Center

4433 S. Park Avenue | Chevy Chase, MD 20815

Sponsored by the
NIH Suburban Hospital Stroke Program
Johns Hopkins Medicine

* This support group does not substitute for individualized speech therapy.
